Clothespin Rabbits

Remember making clothespin rabbits when you were young? I ran across these little bunnies on the net. I just know that my grandkids will enjoy making this adorable Easter craft as much as I did.

Supplies Needed:

Wooden clothespin
White paint
Scrap of string
White felt
Pink paper
Glue , scissors
Tiny pink pom-pom
Black permanent marker

Directions:

Paint a clothespin white and let dry. Paint a small piece of string and let dry. Glue a small piece of white felt to pink paper and cut a heart shape for the bunny's feet, trimming off the point of the heart. Glue to clothespin. Glue whiskers and pom-pom to clothespin. Using a marker, create the eyes.
