

### Hamburger Cake

This cake is super easy to make.

#### *Top & Bottom Bun:*

The top and bottom bun are made from a regular yellow cake mix baked in an 8" pan for bottom bun and an top bun was baked in a Pyrex bowl, following directions on the cake box to bake cakes.

Pour more batter into the bowl than the pan to use as the top bun.  
Buns are covered with fondant (below)

Bottom part of (top) bun was removed and cut into "fries" using a crinkle French fry cutter or pastry wheel; available at any store carrying kitchen items.

#### *Hamburger Patties:*

The 2 patties are made by using 2 a chocolate brownie mixes, cooked in an 8" round pan.

#### *Condiments:*

Tomato, cheese, bacon, lettuce, covered buns and bun seeds were all made using [Marshmallow Fondant](#).  
Use Butter Cream as glue to hold all the pieces together and to create "Ketchup" (tinted red).

Wrap fries in parchment paper to resemble picture. That's it.
