## Rose Petal Jam

- 1 cup fresh rose petals
- 3/4 cup water
- Juice of 1 lemon Puree in blender until smooth. Slowly add 2 1/2 cups sugar, blend till all sugar has dissolved;(leave in blender)

Stir 1 package of pectin (e.g., Sure-Jell) into 3/4 cup water, bring to a boil, and boil hard for 1 minute.

Pour mixture into blender with rose petal mixture until well blended. Do this very quickly - it sets up FAST!!

Pour into baby food jars. Let set for 6 hours, until firm. will keep one month in refrigerator. Freezes well.

\*\* roses used must never have been sprayed with any chemicals
