

Fantastic Fruit Dip

This year I joined a special friend for the 4th of July weekend. What a great time! The weekend's meals that she prepared were as spectacular as the fireworks display. Here is one of the fabulous dishes she prepared for our special weekend! I bet you can't eat just one!!

Ingredients:

1- 8 oz pkg of Philadelphia Cream Cheese, chilled
1- small jar of marshmallow cream
Strawberries, cleaned and hulled

Directions:

With a hand beater, beat together cream cheese and marshmallow cream, leaving small "chunks" of cream cheese. Chill 30 minutes and serve.

Just dip strawberries and enjoy.

Thanks so very much for a wonderful weekend Cheryl. Love you!!!
