

Homemade Irish Cream

This great recipe was given to me by an online friend from the Telecrafter list. Paulette likes to give her homemade Irish Cream and her favorite Irish Tea Bread to friends and family in a St. Patty's gift basket.

1 part honey (1/2 c.)
2 parts heavy cream (1 c.)
3 parts Irish whiskey (1.5 c.)
1/2 tsp. instant coffee per 3 cups of above mix.

1. Shake and store in refrigerator.
2. Shake every day or so, and before serving.

Can be consumed within a week, but better after two.
